

Collaboration

"Gettin' good players is easy. Gettin' 'em to play together is the hard part." - Casey Stengel

Sometimes the brightest ideas come from many lights working together...

"It is the long history of humankind (and animal kind, too) those who learned to collaborate and improvise most effectively have prevailed." - Charles Darwin

These guys probably won't prevail!

"Alone we can do so little; together we can do so much." - Helen Keller

Beautifully done song in honor of victims in Newtown. The collaboration between the singers makes this song even more beautiful than it may have been with only one singer.

This is an image of traditional collaboration- face- to- face, members are in the same location. This is similar to what we often do in the classroom.

Multiple students working together to create one painting.

A different but equally important form of collaboration- each dancer relies on one another to complete the "whole picture." Some collaboration is done without using words.

Amazing video- two dancers working together to create a beautiful dance.

This video is about how one school engages students in collaborative learning.

Students work together to build a snowman. When their first attempts fail, they keep on trying!

Individually, we are one drop. Together, we are an ocean." - Ryunosuke Satoro
